The screenshot shows the 'ADD entry' screen of a mobile application. At the top, the status bar shows '00:00' and signal icons. Below the status bar, there is a location dropdown menu currently set to 'Newham'. An orange arrow points to this dropdown, labeled 'a'. Below the location menu is a photo of a patterned fabric. Below the photo is a dark blue button with a camera icon and the text 'Change Photo', labeled 'b'. Below this is a section titled 'Category (Select One)' with a grid of category buttons: 'Care' (heart icon), 'Movement' (person icon), 'Belonging' (star icon), 'Gathering' (group of people icon), 'Assets' (briefcase icon), 'Exchange' (double-headed arrow icon), 'Barriers' (minus sign icon), 'Safety' (shield icon), 'Ecology' (leaf icon), 'Change' (curved arrow icon), 'Repair' (wrench icon), and 'Possibility' (lightning bolt icon). Below the categories is a dark blue button with a plus icon and the text '+ Create Tag', labeled 'd'. Below this is a section titled 'Description' with a text input field containing the placeholder text 'What is special about this place?', labeled 'e'. At the bottom of the screen is a dark blue button with a book icon and the text 'Save & display on map', labeled 'f'. The bottom navigation bar contains icons for home, folders, a large blue plus button, a speech bubble, and a user profile.
